

### **Baked Beans Voluntary Recall Notice**

A Message For Our Customers

July 22, 2017

For more than 100 years, Bush Brothers & Company has been dedicated to producing the highest quality products for our valued consumers, customers and their families.

On July 22, 2017, we announced a voluntary recall of certain 28 ounce cans of BUSH'S® Brown Sugar Hickory Baked Beans, Country Style Baked Beans and Original Baked Beans due to potentially defective side seams on the cans. This recall was initiated after our internal quality assurance checks identified the issue. Subsequent investigations indicated a temporary quality issue from one of our can suppliers. The problem was corrected and no other product is affected.

As a fourth generation family owned business, we are guided by our values of integrity, caring, responsibility, and trust and we apologize for any inconvenience or concern this situation may cause. It's important to note that, to date, no illnesses or other adverse consequences have been reported in connection with this voluntary recall; however, we urge you to dispose of these affected products immediately even if the beans do not look or smell spoiled. We are working with our retailers to ensure timely removal of affected product from their warehouses and shelves.

To view the affected Lot Numbers and Best By dates, please see below. BUSH'S® Consumer Relations is available to answer any questions you may have by calling 1-800-590-3797 Monday-Friday between the hours of 8:00 am and 5:00 PM Eastern Standard Time. Information may also be found on our website at [www.bushbeans.com](http://www.bushbeans.com).

Thank you for your patience and understanding as we work through this issue. We appreciate your continued loyalty.

All my best,

Drew Everett

Fourth Generation Family Member & Chairman of the Board
